2019-2020 District 25-E Directory Ads

We just had a great District Convention, but it is time to look at some future items for the District. We are in the process of creating the 2019-2020 District Directory. To offset the costs of printing the directory, I am asking clubs, State Projects Chairs/Trustees, and any business owners, if they want to place an ad in the new Directory for the upcoming year. Some of you have placed an ad to advertise your club's annual events/fundraisers, announcements, or congratulations to your members' Melvin Jones or W. P. Woods Fellows. They have also been used to congratulate the incoming DGE (Sheryl Schafer) or thank the outgoing DG (Ron Edwards). For whatever reason, we need help to offset the costs. You are under no obligation to advertise, but we could use the help.

To advertise, please send the information/payment as directed below. We would like to wrap up the advertising setup by April 30th. This allows enough time for printing and distribution at the DG's Banner Night.

Ad Sizes:

Full Page (4"W x 8"H)	\$100.00
Half Page (4"W x 4"H)	\$ 50.00
1/4 Page (2"W x 4"H)	\$ 30.00
1/4 Page (4"W x 2"H)	\$ 30.00

Send the Ad copy in electronic file format to:

Cabinet Secretary CC Keith Thomas

400 12th Street
Petersburg, IN 47567
Cell 812-354-4637

Send payment to:

Lions International Convention 2019 Milan, Italy July 5th – 9th

BUONGIORNO!

The Lions 102nd International Convention is a short couple of months away and there is still time to make plans for what will be a very special convention. Registrations can be done online or if you happen to find yourself in Milan during this time and haven't registered you can do it onsite. Hotels can be reserved via Lions Club International or direct. Airlines specials are beginning to be offered but there is a short window before they will return back to regular price or higher as it gets closer to July.

Final plans are being made for an Indiana Lions dinner arranged by Committee member PDG Patty Cooke. This too will be an enjoyable time and a culinary treat from one of Milan's local restaurants. Reservation forms will be sent out in the next few weeks.

If touring Italy is high on the list of things to do there are still tours available thru the LCI selected travel companies. There are also a variety of options from other companies operating in Milan. These can be found online or thru a travel agency.

If you will be in Milan please watch for correspondence from the Indiana International Convention Committee as they are making plans on the best way to communicate to our members of news/events each day of the convention.

As always if there are any questions about the International Convention, don't hesitate to contact any of our committee members. They have been brushing up on their Italian but I am pretty sure they will provide all answers in English!

Committee members: PDG Patty Cooke – District A Patty.cooke@gmail.com; PCC Sue Topf – State Administrative Secretary indylion@indianalions.org; Lion Bob Yunker – Lions State Comptroller indylion@indianalions.org.

Join the Lions in Milan!

The 102nd annual Lions Clubs International Convention will be in Milan, Italy, July 5 – 9, 2019. The Indiana delegation will be marching in the Parade of Nations on Saturday July 6th and the parade route winds among beautiful historical buildings ending up in the square where the unique masterpiece of the Milan Cathedral stands. The Milan Cathedral or Duomo di Milano in Italian, is the cathedral church of Milan, Italy. Dedicated to Saint Mary Nascent, it is the seat of the Archbishop of Milan. The Gothic cathedral took nearly six centuries to complete.

Italian Culture - a brief overview of Italian customs and traditions.

Italy is home to more than 62 million individuals as of 2017 and is ranked 23rd in population size when compared with other countries throughout the world. Italian culture is steeped in the arts, family, architecture, music and food. Home of the Roman Empire and a major center of the Renaissance, culture on the Italian peninsula has flourished for centuries.

Family is an extremely important value within the Italian culture," Talia Wagner, a Los Angeles-based marriage and family therapist. Their family solidarity is focused on extended family rather than the West's idea of "the nuclear family" of just a mom, dad and kids, Wagner explained. Italians have frequent family gatherings and enjoy spending time with those in their family. "Children are reared to remain close to the family upon adulthood and incorporate their future family into the larger network," said Wagner.

The Euro is the currency there and currently is worth more than the US dollar (\$1.14 Euro versus \$1 US). You may want to check with your bank to see if it provides a better exchange rate than what is offered in Italy. While credit cards are accepted at all of the larger stores and restaurant, the smaller and individually owned businesses may only deal in cash. Also the culture in Europe is that tips are not to be added onto the bill.

Art and architecture in Italy

Italy has given rise to a number of architectural styles, including classical Roman, Renaissance, Baroque and Neoclassical. Italy is home to some of the most famous structures in the world, including the Colosseum and the Leaning Tower of Pisa. The concept of a basilica — which was originally used to describe an open public court building and evolved to mean a Catholic pilgrimage site — was born in Italy. The word, according to the Oxford Dictionary, is derived from Latin and meant "royal palace." The word is also from the Greek basilikē, which is the feminine of basilikos which means "royal" or basileus, which means "king."

Italy also is home to many castles with the following in Milan. The Castello Borromeo d'Adda stands on the river banks of the Muzza at Cassano d'Adda, and dates from the 9th Century; restoration works here have even uncovered frescoes from the school of Giotto. In Legnano, the Castello di San Giorgio was built atop a pre-existing Augustinian convent in the 13th Century. In Cusago, the Visconti Castle is regarded as a major example of castle architecture in the region. And finally, in the zone south of Milan reside San Colombano al Lambro and the Castello Belgioioso, in addition to Casalpusterlengo, with its crenellated Tower of Pusterla.

Florence, Venice and Rome are home to many museums, but art can be viewed in churches and public buildings. Most notable is the ceiling of the Sistine Chapel of the Vatican, painted by Michelangelo sometime between 1508 and 1512.

Opera has its roots in Italy and many famous operas — including "Aida" and "La Traviata," both by Giuseppe Verdi, and "Pagliacci" by Ruggero Leoncavallo — were written in Italian and are still performed in the native language. More recently, Italian tenor Luciano Pavarotti made opera more accessible to the masses as a soloist and as part of the Three Tenors. Italy is home to a number of world-renowned fashion houses, including Armani, Gucci, Benetton, Versace and Prada.

Italian cuisine

Italian cuisine has influenced food culture around the world and is viewed as a form of art by many. Wine, cheese and pasta are important part of Italian meals. Pasta comes in a wide range of shapes, widths and lengths, including penne, spaghetti, linguine, fusilli and lasagna.

No one area of Italy eats the same things as the next. Each region has its own spin on "Italian food," according to CNN. For example, most of the foods that Americans view as Italian, such as spaghetti and pizza, come from central Italy. In the North of Italy, fish, potatoes, rice, sausages, pork and different types of cheeses are the most common ingredients. Pasta dishes with tomatoes are popular, as are many kinds of stuffed pasta, polenta and risotto. In the South, tomatoes dominate dishes, and they are either served fresh or cooked into sauce. Southern cuisine also includes capers, peppers, olives and olive oil, garlic, artichokes, eggplant and ricotta cheese.

Wine is also a big part of Italian culture, and the country is home to some of the world's most famous vineyards. The oldest traces of Italian wine were recently discovered in a cave near Sicily's southwest coast.

Questions about the Indiana delegation should be addressed to any of the committee members. If any of our members are interested in possible joining other Indiana Lions to form a group for airline tickets or group tours please let me know.
